## ERRATA

*Landmine Monitor 2013*

---

- |  |  |
|--|--|
| p. 2 under “Contamination and Land Release”    | Delete “—up from at least 233 km <sup>2</sup> in 2011—” in the sentence regarding battle areas cleared |
| p. 10, title of the fourth column of the table | For “Reported consumed in 2010” read “Reported consumed in 2012”                                       |
| p. 60, right hand column, second paragraph     | For “was signed in 1999” read “entered into force in 1999”   |

Online and electronic versions corrected 19 December 2013.
